SUBJECT REDWOOD AEPAYOFF Operational Contact with Identity/1			ABSTRACT	
ACTION REQUIRED - REFERENCES Action: See Paragraph 6 Refs: A. DIR 34449, 11 July 1964 B. EGST-287, 13 July 1964			MICROFILMED AUG 14 1964	
<p>1. On 24 June 1964 undersigned, <u>alias</u> of Identity/2 contacted Subject for the purpose of assessing his potential as a reporting asset on Identity/3 dealings with FJSTEAL and AEPAYOFF and FJSTEAL technical personnel on long-term TDY at the firm. Subject came to our attention when the Identity/3 telephone book was examined for possible leads.</p> <p>2. Subject reacted favorably to the initial approach (part-time work translating technical materials for ODYOKE) and suggested that although he would have to talk the matter over with his wife, he felt that his contract with his employer would not be violated should he accept the job. To support this, Subject suggested that theoretically his wife and not he would do the translations.</p> <p>3. At a 20 July meeting the undersigned learned of a letter which Subject had mailed to our cover address and we had not yet received. In this letter Subject had stated that due to his contract with Identity/3 he could not take any additional translation jobs. When Subject was assured that no contract would be signed at this time, he agreed to receive occasionally some materials for translation. It was evident that his fear of jeopardizing his relationship with his employer was the principal factor in his reluctance to deal with us.</p> <p>4. Based on traces received on Subject (see References A and B), the undersigned then hinted that Subject's experiences in Japan with Identity/4, and in Norway, might be also very useful to various departments of ODYOKE. Subject reacted favorably to this confrontation and suggested that he would be in a better position to contribute to the ODYOKE effort when he moves to the Identity/3 compound in the early part of November 1964. At the present time, however, he is isolated by distance from the rest of the firm's personnel and has no contact with anyone except Identity/5, since he is the only person in the firm who speaks the language.</p>
